Welcome to the HICDEP platform

NEW: To register for the HICDEP Discussion forum send an eMail with name and affiliation to [hicdep.rigshospitalet\(at\)regionh.dk](mailto:hicdep.rigshospitalet(at)regionh.dk)

[HICDEP](#) stands for **HIV Cohorts Data Exchange Protocol**.

On this platform, you can browse, search and navigate through the following versions of HICDEP:

- [HICDEP 1.110](#) current draft version ([?Coding tables XML](#))
- [HICDEP 1.100](#) released Aug 7 2017 ([?PDF version](#), [?Coding tables XML](#))
- [HICDEP 1.90](#) released Dec 2 2015 ([?PDF version](#), [?Coding tables XML](#))
- [HICDEP 1.80](#) released Oct 2 2014 ([?PDF version](#), [?Coding tables XML](#))
- [HICDEP 1.70](#) released Nov 8 2013 ([?PDF version](#), [?Coding tables XML](#))
- [HICDEP 1.60](#) released Oct 23 2012 ([?PDF version](#), [?Coding tables XML](#))
- [HICDEP 1.50](#) released Sep 13 2011 ([?PDF version](#), [?Coding tables XML](#))

Public example data released Sep 2 2014 ([?download](#))

Participate!

HICDEP is and will always remain a work in progress ([details here](#)). As the HIV field evolves, changes are made and new tables need to be specified. You can actively **participate in the development of the HICDEP standard** by posting questions and answers in the [discussion forum](#). Note that due to recent spambot attacks you need to register for this by sending an eMail with name and affiliation to [hicdep.rigshospitalet\(at\)regionh.dk](mailto:hicdep.rigshospitalet(at)regionh.dk).

Contact

If you have any questions or comments regarding HICDEP or this platform, you may discuss them in the [discussion forum](#). You may also send email to hicdep.rigshospitalet@regionh.dk.

How to use this platform effectively

There are various mechanisms which allow you to use this website more effectively. You can read about them in [UsingThisPlatform](#).
